HARMONIC HOSPITALITY GROUP ANNOUNCES INTRODUCTION OF NEW CONCEPTS IN OMAHA'S CAPITOL DISTRICT

New establishments set to open in Fall 2023; will add upscale entertainment options to popular downtown area, right across from new Steelhouse Omaha venue

(Omaha, Nebraska – May 2, 2023) – Downtown Omaha is getting two, new exciting entertainment concepts as Iowa-based [Harmonic Hospitality Group](#) brings *The Stuffed Olive* and *Roxy* to The Capitol District later this year.

These establishments are scheduled to open this Fall and will bring their proven business models and successful entertainment features to Nebraska. Both businesses will be located in the newly constructed building at 1100 Capitol Avenue, Suites 104 and 105 – right across from the new Steelhouse Omaha concert venue.

“We are thrilled to take what we have successfully built in Iowa and introduce it to the great city of Omaha,” said Tony DeSalvo, President at Harmonic Hospitality Group. “The Capitol District is a well-established entertainment area with lots of yearly visitors, so we are looking forward to bringing a new flavor of entertainment to the people of Omaha.”

The Stuffed Olive is an upscale-casual martini concept with three Iowa locations that offers patrons more than 100 different martini options along with a chef-driven tapas menu. With its sophisticated and modern atmosphere, guests can make themselves right at home, while exploring an award-winning martini menu that pairs perfectly with small plates and shareable dishes. With two locations in Iowa, *Roxy* is an upscale, retro food and beverage concept that features nostalgic-themed décor from the era of the '80s, '90s and early 2000's. Here guests will enjoy the sounds of the music from the era along with themed drinks, like a *Purple Rain* or *Material Girl*, in a fun, cool atmosphere. It is a fun, casual place to get something to eat and relish in the décor. *Roxy* also features live DJ's on the weekends and has fast become a favorite place to hang out. “We have found both concepts to be highly successful with our guests, so we are excited about introducing these opportunities to people in Omaha who enjoy visiting places in The Capitol District for a night out,” said DeSalvo. “For *The Stuffed Olive*, it is all about enjoying a martini and conversing with others in an upscale and modern New York City inspired atmosphere. While *Roxy* celebrates the uniqueness that makes each of us who we are. *Roxy* has more of a L.A. vibe and turns back time in a wildly decorated bar and grill.”
